

CYB Boys & Girls

BASKETBALL

- Comstock Youth Basketball is a program that encourages all children to get athletically involved and learn new skills.
- Eye-hand-foot coordination, agility and endurance are just a few of the areas children begin to grow.
- The program inspires teamwork, sportsmanship, commitment and personal athletic achievement.
- It's intentions are to build athletic self confidence and good sportsmanship at an early age.
- The developmental program focuses on basic basketball fundamentals and encourages even playing time for all children.
- Parents and basketball enthusiasts volunteer to coach teams of 8 to 10 players within the same age group. Parents that coach will have their child's registration cost waived.
