

COMSTOCK PUBLIC SCHOOLS

COMSTOCKPS.ORG

Comstock Public Schools offers many reasons to be your district of choice. We have a low student-to-teacher ratio. Our highly rated STEM Academy is grooming tomorrow's technology innovators. We have implemented "The Leader in Me," a program that is empowering students and yielding measurable results. Boasting several diploma options, numerous dual enrollment opportunities, diverse athletic and arts opportunities, a College & Career Academy, and a caring, engaged faculty, Comstock is a small district that delivers big opportunities.

STEM Academy

The K-8 STEM Academy is an application school that had the highest level proficiency scores of any school in Kalamazoo County on the M-STEP. 2017 Catalyst University School of the Year!

College & Career Academy

The mission of the CCA is to prepare students for life beyond high school by building bridges between education and careers. CCA plans field trips for every grade level, and meets with all students annually.

\$40 Million Dollar Bond

Our community supported a 2016 bond proposal that is providing upgrades and additional technology to all buildings! Voters continued to show their support with an approved 2019 sinking fund.

The Richmond Scholarship

Starting with the class of 2014, James and Lois Richmond established a one million dollar endowment to provide scholarships for students pursuing a degree at WMU, Kalamazoo College, or KVCC.

Grade "A" Athletic Facilities

Comstock High School has completely new weight room equipment. Locker room and athletic conference room renovations were unveiled last year.

Comstock Early Learning Academy

We are excited to be opening a preschool center for the 2019-20 school year which will include a STEM classroom, a Chinese language and culture immersion classroom, and daycare facilities!

"The Leader In Me"

TLIM is a whole-school transformational process that teaches direct lessons in *The 7 Habits of Highly Effective People*. We also have modeled lessons illustrated by students. Our students and staff share leadership responsibilities. Comstock Elementary School is the only certified Lighthouse School in Kalamazoo County! TheLeaderInMe.org

Dual Enrollment & Advanced Placement

CHS offers more on-site dual enrollment than any other high school in the county. Comstock offers 5-6 AP courses annually.

Project Lead The Way

Project Lead the Way courses in technology and science are providing students with experiences that will lead to high-demand careers.

Diploma Options

Options include the traditional Comstock Diploma, Honors Diploma, Michigan Merit Curriculum Diploma, and an Early Middle College Diploma. Any of these options can include a STEM Endorsement.

Taking Students Beyond K-12

100% of our students apply to a post secondary program. Students and parents are provided assistance along the way with scholarship nights, help with the FAFSA, and college visits.

#1 in Kalamazoo County

Comstock STEM Academy was the #1 performing school in Kalamazoo County, and was one of the top 100 schools in Michigan according to a 2018 Mackinac Center report. Mackinac.org
